**Zoom Teleconference** 

#### <u>OPEN SESSION</u>

#### Item 1. Call to Order

Committee Chairman Ben Lamera called the meeting to order at 2:01 p.m.

Chief Executive Officer Eric Stern stated the meeting was taking place over videoconference pursuant to Executive Order N-29-20. Mr. Stern noted that committee members Martha Hoover and Kathy O'Neil were in attendance. He also stated that Board President Fowler appointed Ms. O'Neil to the committee to replace James Diepenbrock, whose term was ending.

#### Item 3. Annual Independent Financial Statement Audit Timeline

Ashley Casey, audit co-partner, and Colin Lo, audit manager, of Brown Armstrong Accountancy Corporation presented the timeline and scope of services related to SCERS' annual independent financial statement audit and changes to the Annual Comprehensive Financial Report. Discussion followed.

Mr. Stern inquired if the Brown Armstrong team would be conducting field work on site or remotely. Ms. Casey responded that they would prefer to work on site; Mr. Stern noted that SCERS offices were reopening and could accommodate the Brown Armstrong staff.

Mr. Lamera asked if there was a consensus on renaming the Comprehensive Annual Financial Report; Ms. Casey noted that GASB has circulated a paper recommending changing the name to the Annual Comprehensive Financial Report. Mr. Lamera also asked what prompted the items planned for additional testing (wire transfers and travel expenses). Ms. Casey responded that those items are routinely reviewed in a cycle every few years to test for internal controls.

Mr. Stern noted that SCERS historically has used the actuarial valuation from the same measurement period as the financial statements in the Annual Comprehensive Financial Report. However, he said SCERS may need to use the June 30, 2020 valuation in the Annual Comprehensive Financial Report as of June 30, 2021 due to the potential for timing issues with producing valuation-related data from the new pension administration system. Ms. Casey noted that GASB allows the use of a lagged valuation report and many retirement systems follow that process.

#### Item 4. Annual Comprehensive Financial Report

Mr. Stern noted that changes related to the Annual Comprehensive Financial Report were discussed as part of Item 3.
