ADJOURNMENT

Public Participation Information

Pursuant to Governor Newsom's Executive Order N-29-20, the Board of Retirement shall hold its November 19, 2020 Audit Committee meeting via teleconferencing and without a physical meeting location. Members of the public have several options for observing and/or addressing the meeting:

If you wish to listen to the meeting only, you can call in at +1 (800) 520-9950 and use the Participant Pin 8851868.

If you wish to watch the meeting and/or address the Board, you can connect using the BlueJeans video-conferencing system. In order to do so, you must have an Internet-connected PC or Mac, or an Internet-connected mobile device. If you wish to address the Board, you will also need a microphone. If connecting from a mobile device, please download the necessary BlueJeans app in advance of the meeting. You can access the meeting [here](#). Further detailed instructions on using BlueJeans can be found at this link: <https://www.scers.org/post/bluejeans-instructions>.

If you do not have access to BlueJeans video-conferencing and wish to address the Board, please contact SCERS at SacRetire@saccounty.net by no later than November 18, 2020 at 12:00 p.m. so that arrangements can be made for you to address the Board by telephone at a pre-determined time.

If you are an individual with a disability, and you require a modification or accommodation to the above procedures in order to observe or address the meeting, please contact General Counsel Stephen Lau at laus@saccounty.net or (916) 874-5706.

Out of an abundance of caution, and as a precaution against technical difficulties, we strongly recommend that any member of the public who wishes to address the Board email their comments to SCERS in advance to ensure that the Board will receive and consider them. Such comments may be emailed to SCERS at SacRetire@saccounty.net. Failure to submit comments in advance would not preclude addressing the Board during the meeting.

Please be advised that the Board meeting will be recorded in its entirety.
